

Laundry Softener

A fabric softener delivering a luxury feel to fabrics with odour neutralising technology and long-lasting fragrance. Reduces creases, static and improves fabric softness.

Cleaner

- Outstanding softness
- Odour neutralising technology
- Antistatic
- Long lasting fragrance

Leaner

- Less friction in the wash for improved asset life
- Suitable for septic tanks

Greener

- Reduced carbon footprint
- Not tested on animals

Laundry Softener

Use Instructions

A concentrated fabric softener for use with BioHygiene dosing equipment. For best results, use at a concentration level of 5ml per kg of dry weight.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature.

Available Pack Sizes
