

Bactericidal hand dishwashing liquid

Description

Suma Quat D1.7 is a concentrated bactericidal hand dishwash detergent for cleaning and disinfection of pots, pans, crockery, glass and all washable utensils.

Key properties

This concentrated hand dishwash detergent cleans and disinfects in one operation.

Benefits

- Highly effective bactericidal formulation helps reduce the risk of cross contamination
- Concentrated formula gives greater economy in use
- Cuts through grease and dried-on food
- Streak-free, easy rinsing for a superior finish
- Unperfumed

Use instructions

Use at a concentration of 3-5ml* of Suma Quat D1.7 per litre of hand hot water. For more heavily soiled items, higher concentration may be used.

General cleaning:

1. Add Suma Quat D1.7 to running water.
2. Wash/scrub items thoroughly in hand hot water with cloth, brush or scouring pad.
3. Allow 2 minutes contact time.
4. Rinse thoroughly and allow to air dry.

For heavily soiled items, an extra dose may be required. Actual dosage will depend on site conditions (water hardness, degree of soiling, procedures).
