

Bryta Rinse Aid

Liquid Detergent for Dishwashing Machines

Description

Bryta Professional Rinse Aid is a neutral liquid rinse additive for mechanical ware washing.

Benefits

- Ensures quick drying
- Gives streak and spot-free results
- Low foaming action for more efficient machine operation

Key properties

- The product contains a special blend of non-ionic surfactants for rapid, spot and streak free drying on all cleaned surfaces in soft and medium hard water conditions.

**Diversey**TM

Bryta Rinse Aid

Usage Instructions

Bryta Professional Rinse Aid is recommended for use in all types of manually dosed domestic and commercial warewashing machines at a concentration of 0.2 - 0.3ml/l of final rinse water. Actual dosage levels are determined according to local site conditions.
